

# AVAILABLE PLANTS 2012 - On-Site Sales Only

## Inventoried 4/28/2012

This listing includes ALL plants that are ON-SITE SALES ONLY. MAIL-ORDER plants can be found in the On Line Catalog. (Note: All mail-order plants will also be available for on-site sales once we open to the public for the growing season.)

We expect to have ALL of the following plants available in 2012; most are already here at the time of this writing. However, those that wholesale sources acknowledge as available at the time of the order differ from those which actually are available when finally delivered to the nursery. I'm just saying...

**Both WOODY and HERBACEOUS Plants are listed alphabetically**

Herbaceous Plants are first (Ferns are listed alphabetically under the heading "Ferns")  
Woody Plants follow
